Center Closing and Delayed Opening

Guidance for Students

6295 Edsall Road, #220
Alexandria, VA 22312

In the event of a CET closure or delayed opening, the Center Director will post an announcement on several communication mediums:

- CET Facebook Page: <https://www.facebook.com/AlexandriaCET/>
- Student E-mails (**please make sure we have the correct e-mail and that it is working**)
 - If you have not provided an e-mail or it has changed please see our front staff to assist you with that change.
- Our website under Emergency and Safety Information: cetweb.edu or cetweb.edu/safety/

If CET closes early due to inclement weather, students and staff may be provided with specific times they can leave by Center Director. This will help to ensure a safe and orderly departure from the building.

If a class has not started and CET closes because of inclement weather or any other factor which may affect operations, please check your e-mail, check our Facebook page, or signs posted at the center.

If inclement weather forces the cancellation of classes or requires CET to have a delayed opening, announcements will be made on these local TV stations:

Television Stations

WTTG Channel 5, FOX

WJLA Channel 7, ABC

CET Delayed Opening

When CET announces a delayed opening, classes will start approximately after the time of delay. For example: if the class usually starts at 8 a.m., and there is a two hour delay, the class will start at 10 a.m. and complete at normal time.

CET Closing

When CET is closed, no day or evening classes will be held until classes begin on the following morning or when it is safe to return. Please check CET Facebook page, check your e-mail, and/or check our website.
