3. The methods used to determine which and how much students receive Emergency Financial Aid Grants are as follows – These one-time grant funds that do not need to be paid back, can be used to help cover any direct educational expenses, such as books or computers, or other related costs, including housing, health care, food, or child care expenses during this pandemic. The following criteria needs to be in place for students to receive this grant so long as the limited funds continue to be available:
 - Student was enrolled and/or in attendance on March 13, 2020 **and after**; and
 - Student has reached 25% Scheduled attendance; and
 - Student has met the financial aid eligibility in one of the following two groups:

Group One: Students completed a FAFSA, met all financial aid eligibility criteria and were deemed Pell Grant eligible. This group of students will receive a **one-time payment of \$800** in CARES grant.

Group Two: Students completed a FAFSA, met all financial aid eligibility criteria and were deemed NOT Pell Grant eligible (Federal Student Loans only). This group of students will receive a **one-time payment of \$400** in CARES grant.

Students who have completed a FAFSA, met all financial aid eligibility criteria, have reached 25% scheduled attendance, and were deemed either eligible or not for the Pell Grant, do not need to take any action, **the grant check will be mailed to their address on record.**

Students interested in receiving this Emergency grant (as long as funding is still available) may complete their FAFSA at www.fafsa.gov and notify their Financial Aid Officer.

Funds will be disbursed in the form of grant checks until all funds are depleted.

The instructions, directions, or guidance provided by CET to all eligible students concerning the Emergency Financial Aid Grants were sent via email and published on the [CARES-HEERF Reports - Center for Employment Training \(cetweb.edu\)](#)
